## DESCRIPTION

This LEVC TX Sutton VIP Class is an as-new Sutton Bespoke-modified example of the electric hybrid taxi, which was designed to comply with Transport for London's Taxi Private Hire regulations. Greatly enhanced with rear passenger comfort in mind, it features individual recliner seats, a refrigerator and two folding tables, as well as a built-in microphone system for communication between the front and rear cabins.

\* **Navigation**

\* **Cruise Control**

\* **DEDUCTIBLE VAT**

\* **ES Plates**

**Price:**We do not give latest prices, but we are happy to listen to reasonable offers and make every effort to accept them.

**Cars Exchange (Cars as part payment):**Normally we cannot accept cars as part of payment, but we have many customers looking for different cars, if you send us an email to [sales@cohencars.com](mailto:sales@cohencars.com) with the information of your vehicle (car photos, copy of the registration, KMs, general condition and defects). We can add it to our database in order to offer it to our customers. We can always make an offer to buy it immediately but will be much less than the market value.

**Additional Information:**We work much better by Email [sales@cohencars.com](mailto:sales@cohencars.com) than by phone, but if you prefer to call us, we will be happy to assist you!

**“Life is too short not to buy the car you've always wanted”**
