DESCRIPTION

The Cadillac Escalade is a large luxury SUV manufactured by the American brand Cadillac. Introduced in 1999, it has been noted for its stunning design, high-end features and advanced technology. The Escalade is known for its powerful engine, typically a V8, and for delivering exceptional on- and off-road performance. It also boasts a luxurious interior with premium materials, comfortable seating and a wide range of entertainment and safety systems. Over the years, the Escalade has been a benchmark in the luxury SUV segment, with versions that include rear- or all-wheel drive and customisation options.

Price:We do not give latest prices, but we are happy to listen to reasonable offers and make every effort to accept them.

Cars Exchange (Cars as part payment):Normally we cannot accept cars as part of payment, but we have many customers looking for different cars, if you send us an email to sales@cohencars.com with the information of your vehicle (car photos, copy of the registration, KMs, general condition and defects). We can add it to our database in order to offer it to our customers. We can always make an offer to buy it immediately but will be much less than the market value.

Additional Information:We work much better by Email sales@cohencars.com than by phone, but if you prefer to call us, we will be happy to assist you!
