DESCRIPTION

Inside the appearance changes are small. There are new covering materials, a steering wheel with touch controls, a 12.3-inch screen that serves as instrumentation and a new screen for the multimedia system.

There are two new features in this section. The first are two touch surfaces, one on each arm of the steering wheel, like the ones debuted in the 2016 E-Class. The one on the left arm is used to move through the instrumentation menus and the one on the right arm to operate the system screen. multimedia. They respond quickly and accurately to touch. They are included in the standard equipment.

Price:We do not give latest prices, but we are happy to listen to reasonable offers and make every effort to accept them.

Cars Exchange (Cars as part payment):Normally we cannot accept cars as part of payment, but we have many

customers looking for different cars, if you send us an email to **sales@cohencars.com** with the information of your vehicle (car photos, copy of the registration, KMs, general condition and defects). We can add it to our database in order to offer it to our customers. We can always make an offer to buy it immediately but will be much less than the market value.

Additional Information:We work much better by Email **sales@cohencars.com** than by phone, but if you prefer to call us, we will be happy to assist you!

“Life is too short not to buy the car you’ve always wanted”
