## DESCRIPTION

The C 43 4MATIC versions of the new C-Class are available in saloon, estate, convertible and coupe body styles. They have a 390-horsepower V6 engine (23 more than before), 9-speed automatic gear box and four-wheel drive.

I have driven the C 43 AMG with an Estate body. It is clearly noticeable that it has a different driving feel than a lower-powered C-Class. It has more immediate reaction to the steering wheel input, the steering is firmer and the suspension levelling back from changes to the steering is faster. It rolls smoothly, but the roughness of the asphalt is a bit more noticeable. In short, the driver not only has the impression of being at the controls of a comfortable and powerful car, but also one designed to enjoy driving around curves. The relative docility in everyday use is one of the things that makes the C 43 AMG so palatable.

**Price:**We do not give latest prices, but we are happy to listen to reasonable offers and make every effort to accept them.

**Cars Exchange (Cars as part payment):**Normally we cannot accept cars as part of payment, but we have many customers looking for different cars, if you send us an email to **sales@cohencars.com** with the information of your vehicle (car photos, copy of the registration, KMs, general condition and defects). We can add it to our database in order to offer it to our customers. We can always make an offer to buy it immediately but will be much less than the market value.

**Additional Information:**We work much better by Email **sales@cohencars.com** than by phone, but if you prefer to call us, we will be happy to assist you!

**“Life is too short not to buy the car you’ve always wanted”**
