DESCRIPTION

The Vespa 946 Christian Dior is brought to life by this exciting alliance, whose one-piece chassis and delicate design lines pay homage to the heritage of the two brands. This symbol of elegance, object of desire, reflects the shared commitment to excellence in "savoir faire" and the exquisite attention to detail that the two brands share.

Inspired by the design of the seat, the trunk, decorated with a Dior Oblique pattern (designed by Marc Bohan in 1967), fits perfectly into the luggage rack, giving this model a unique style. The helmet, decorated with the same design, completes the exclusive line of accessories.

Price: We do not give latest prices, but we are happy to listen to reasonable offers and make every effort to accept them.

Cars Exchange (Cars as part payment): Normally we cannot accept cars as part of payment, but we have many customers looking for different cars, if you send us an email to **sales@cohencars.com** with the information of your vehicle (car photos, copy of the registration, KMs, general condition and defects). We can add it to our database in order to offer it to our customers. We can always make an offer to buy it immediately but will be much less than the market value.

Additional Information: We work much better by Email sales@cohencars.com than by phone, but if you prefer to call us, we will be happy to assist you!
