Cars Exchange (Cars as part payment): Normally we cannot accept cars as part of payment, but we have many customers looking for different cars, if you send us an email to sales@cohencars.com with the information of your vehicle (car photos, copy of the registration, KMs, general condition and defects). We can add it to our database in order to offer it to our customers. We can always make an offer to buy it immediately but will be much less than the market value.

Additional Information: We work much better by Email sales@cohencars.com than by phone, but if you prefer to call us, we will be happy to assist you!

“Life is too short not to buy the car you've always wanted”
